# WHY CHOOSE EARTHTRACK?

## Earthtrack's success is based on a set of unique benefits

### PERSONAL SERVICE

We are a family company whose members share the same ethos, the same determination to offer outstanding service, and the same values. Rather than dealing with a different person every time you request products, service or information, you will be assigned a dedicated account manager who will take the time to appreciate your specific needs and make sure that you receive what you require, in the agreed time frame and at reasonable cost.

### A PRACTICAL APPROACH

Earthtrack's business has been built on the solid foundations of practical engineering knowledge, extensive fabrication and mine site experience, handling large earthmoving vehicles and the ability to understand the real ongoing issues clients and sub-contractors face on site. Through knowledge and experience, we seek to lighten the load for our clients, find better and more cost-effective ways of operating plant and safer, time saving night work options, through advanced lighting solutions.

### SOURCING SOLUTIONS

We are specialist problem solvers - a 'go to' company whose extensive contacts throughout Australia and Asia are on tap and ready to provide the right solution, at the right time and at the right cost. We are the company to turn to when an innovative solution is required, when major suppliers have run out of stock or ideas, and when lateral engineering thinking is required to solve practical issues before they become problems.

### INNOVATIVE DESIGN FLAIR

We do not simply provide off-the-shelf products and services. Challenging site conditions, mine site operations and shutdowns require specialist services, which Earthtrack is well positioned to provide. Through innovative design and proactive consulting in the field, our Directors are used to problem solving and trouble shooting at a highly advanced technical level.

### ACCREDITED SUPPLIER

In 2020, Earthtrack were accredited to AS/NZ ISO 9001:2015 for Quality.

We are an approved Australian Made vendor for our solar towers and fabricated products.

We are proudly now a WALGA preferred supplier

**INDUSTRIAL LIGHTING OPTIONS**  
INCLUDING SOLAR, THAT ARE LEADING EDGE TECHNOLOGY & MEET MINE SPECIFICATIONS

**EXCLUSIVE SUPPLIER ARRANGEMENTS**  
FOR AUSTRALASIA

**WIDE STOCK RANGE FOR FAST TURNAROUND**  
OF ORDERS & NATIONWIDE DISTRIBUTION NETWORK

**SPECIALTY-RATED PRODUCTS**  
IECEX EXPLOSION PROOF OR HAZARDOUS AREA LIGHTING, IP68, IK10, VANDAL & IMPACT PROOF

**10 YEARS PROVEN EXPERIENCE**  
FOR RELIABLE SOLAR LIGHTING SOLUTIONS FOR REMOTE, HARSH ENVIRONMENTS

**ENVIRONMENTALLY FRIENDLY OPTIONS**  
USING SOLAR/HYBRID TECHNOLOGY FOR ULTIMATE LOW OR NO EMISSION OPERATION

**IN-HOUSE LIGHTING & FABRICATION DESIGN TEAM**  
FOR BESPOKE LIGHTING SOLUTIONS & ADVICE

**WALGA SUPPLIER PREFERRED SUPPLIER VENDOR ARRANGEMENTS**  
WITH RIO TINTO, BHP & OTHER MAJOR MINING COMPANIES

**IN-HOUSE STEEL & ALUMINIUM FABRICATION & ASSEMBLY**  
AUSTRALIAN MADE LIGHTING TOWERS

**ONSITE LIGHTING AUDIT SERVICE**  
FULL REPORTING OF LUX CHROMATICITY & UNIFORMITY, LIGHTING DESIGN & SIMULATION

ILLUMINATING BETTER ENVIRONMENTS
